Daveton Piesco Far - Far

Graphic Designer, Video Editor and Front-End Web Maker
Sleman, Daerah Istimewa Yogyakarta, Indonesia

About Me

I am a third-year Informatics student at Amikom University Yogyakarta, starting to explore opportunities in the creative and technology industry. With a strong interest in design and editing, I am fascinated by how visuals and technology can shape user experiences and bring ideas to life.

To build my skills, I actively join various trainings, online courses, and bootcamps related to design, development, and soft skills. I am also involved in campus organizations, where I continue to strengthen my leadership, teamwork, and communication abilities.
